

## 2022 SARC Packing List

Weather at Mt. Hood can be unpredictable and vary greatly from day to day. From single digit temps to 50 degrees and sunny, campers need to be prepared for anything. Off the mountain, temperatures are more mild and usually in the 40-60 degree range. We will be doing everything from swimming to season, so pack for every season, but please do not overpack! Storage space is limited so athletes should only bring what they need. Athletes who are staying for two weeks will have the chance to do laundry between sessions.

### Ski Clothing (Enough to last 5 days of skiing)

- Ski Base Layers
- Mid-Layer(s)
- Ski Socks
- Ski Masks
- Gloves and Mittens (A warmer option and a lighter option)
- Speed Suit (Wear to training each day)
- Ski Pants
- Ski Shorts (if you have them)
- Warm, waterproof ski jacket
- Hoodie (many athletes ski in just a speed suit and hoodie on warm days)

### Ski Gear (Label everything!)

- GS and Slalom skis (if you have both)
- Hard Ear** ski helmet
- Goggles (No clear lenses. Palmer Glacier is VERY bright)
- Poles with hand guards for U12 and older**
- Slalom chin guard for U12 and older**
- Tool to remove slalom chin guard. Athletes may NOT train GS with a SL guard on their helmet.**
- Shinguards (Required for U12 and older, suggested for U10s)**
- Ski Straps (This is required. Write names on them. All skis are loaded up in a truck every day and without straps your edges can be damaged)**
- Tuning equipment (we will have some camp tuning gear available for sharing if you don't have your own. Don't worry about bringing an iron. We will have one.)
- Boot Bag Backpack. This needs to be a ski specific pack that can fit ski boots, helmet, extra layers, gloves, etc. and athletes need to be able to ski with it on.
- Cat Tracks (This is required. Athletes will be walking through parking lots wearing their boots. Make sure they are the right size.)**
