

2022 SARC Copper Packing List

Prepare for full-on winter weather! Storage space is limited so athletes should only bring what they need. There will be a washer and dryer if needed, but campers should avoid doing laundry if possible. No need to bring bedding or towels to camp, it will be provided!

Ski Gear (Label everything!)

- GS and Slalom skis (if you have both)
- Hard Ear** ski helmet
- Goggles
- Poles with hand guards for
- Slalom chin guard
- Tool to remove slalom chin guard. Athletes may NOT train GS with a SL guard on their helmet.
- Shinguards
- Ski Straps (This is required. Write names on them. All skis are loaded up in a truck every day and without straps your edges can be damaged)
- Tuning equipment (we will have some camp tuning gear available for sharing if you don't have your own. Don't worry about bringing an iron. We will have one.)
- Boot Bag Backpack. This needs to be a ski specific pack that can fit ski boots, helmet, extra layers, gloves, lunch, etc. and athletes need to be able to ski with it on.
- Cat Tracks (This is required. Athletes will be walking through parking lots wearing their boots. Make sure they are the right size.)
- Hand and Toe Warmers
